

AWNA62 BLACK

Tested to Outlast

We still make them like we used to. Tested for 10,400 cycles which could be up to 25 years in the home.

Extra Capacity

Large 92 litre stainless steel tub won't corrode, chip, pit or crack. It's not only gentler on clothes, but both the inner and outer tub come with a lifetime warranty.

Wash Quality

Traditional full-sized flex vane agitator with extra-large 210° agitation arc, with 68 agitations per minute, provides superior wash performance.

Durable

Triple coated, commercial-grade steel cabinet will look good for years to come, whilst full metal base provides stability and noise suppression.

Commercial Grade

Heavy duty, all metal transmission and industrial strength motor as used in laundrettes world wide.

Fast Cycle Times

Regular cycle, normal wash - 37 minutes.

COMMERCIAL QUALITY FOR MORE THAN A CENTURY

Tested to Outlast

We still make them like we used to. Tested for 10,400 cycles which could be up to 25 years in the home.

Durable

Triple coated, commercial-grade steel cabinet will look good and last for years to come.

Extra Capacity

Large 198 litre capacity cylinder, rated to 9kg with the largest door opening means it can handle the biggest loads, so you spend less time in the laundry.

Fabric Care

Whisper quiet, superior airflow of 85 litres per second results in faster drying with less wear, and less wrinkling of clothes.

Energy Efficient

Three temperature setting options and auto dry feature ensure the dryer does not over dry items wasting valuable time, energy and money.

Fast Cycle Times

From 35min for full 9 kg load.
