KEY FUNCTIONS

14 PLACE SETTINGS

The 14 place settings option this dishwasher provides results in greater flexibility in what types of dishes and cutlery that can be washed.

2 LEVEL HEIGHT ADJUSTMENT TOP BASKET

The adjustable top basket can be set higher or lower in the washing baskets, ensuring wash space for those larger cooking utensils and dishes.

COUNTER BALANCED DOOR

The door of this dishwasher is counter balanced and can be opened to any angle. This will prevent the door bouncing and damaging any items in the dishwasher.

STAINLESS STEEL DOOR PANEL ACCESSORY

Stainless steel door panel available separately for a contemporary look.

6 WASH PROGRAMS

The EDS14PFINTD dishwasher provides you with the choice of 6 different wash programs to ensure you can select the type of wash which best suits whether it be those few dirty dishes or after that large dinner party.

NEW WATER INLET & FILTER SYSTEM

This latest design from Euro has an internal water inlet system to prevent water leaking. Compared to previous models, this dishwasher has a larger filter that collects and disperses dirty water much quicker, and also minimizes filter blockages.

EXTRA DRYING SELECTION FUNCTION

This dishwasher provides you with the extra drying option, which increases the temperature during the final rinse. Once this option is complete, your dishes are ready for storage.

INSTALLATION INFORMATION

Please refer qualified installer to our product instruction manual.

FILTER CLEANING INFORMATION

Drain pump filter: requires cleaning monthly. This will ensure no interruptions with the dishwasher operation.
